

Needham Youth services presents....

## Needham Unplugged

### **No Homework and No Meeting Night** **Thursday, March 10, 2016**

On **Thursday, March 10<sup>th</sup>**, the Needham community will honor the no-homework, no-sports, and no-activities night for all Needham Public School students. In addition, there will be no town-related meetings and virtually no community, school, or religious meetings held on that night. Parents can participate on March 10<sup>th</sup> by getting home from work no later than dinnertime, canceling/rescheduling any night meetings, and considering making this a special night for the entire family.
